Parents Please note:

It is required by Rama Swim & Racquet Club that all family members participating on the swim team must pay their dues prior to May 20, 2022 to be eligible to swim on the team. Please contact Club President if you have any questions about your balance. Per the QCSL Eligibility Rules: "Swimmers must be in good standing with their member clubs. This includes full paying annual membership families or in some cases, full paying summer membership families. There will be no guards or coaches swimming on the team that has received a free membership as part of his/her employment. No bonus shall be given to any swimmer or family to offset the cost of dues. Memberships under any circumstances other than those described above must be reviewed by the QCSL Executive Board prior to the start of the season (first meet) to confirm swimmer eligibility." By QCSL rules: a. Shrimps shall be able to swim the length of the pool unassisted by the second swim meet or they may not participate in meets until they are able. b. Only 100 swimmers can participate in each swim meet. Based upon our swim team size and numbers of swimmers in each age group your swimmer may not get to swim in every meet, though we will work to make it a very fun season for all our Pirates.
